Analysis

- The Office of Global Issues and the Office of Near Eastern and South Asian Analysis (NESA) briefed a meeting convened by Deputy Assistant Secretary of State Peter Burleigh to review US policy options toward South Yemen. The briefings covered South Yemen's potential for oil production and their current political situation.
- The Office of Soviet Analysis (SOVA) provided a memo for Secretary of Defense Carlucci concerning Soviet motivations for holding military-to-military talks.

-- The National Intelligence Officer for Counterterrorism (Charles E. Allen) convened an interagency group on 11 January to discuss indications of renewed terrorist plotting by Libya, and the National Intelligence Officer for Africa (Walter Barrows) with Acting NIO for Latin America [redacted] [redacted], will jointly hold a special warning meeting on 12 January to assess the Cuban military buildup in Angola.

MEMORANDUM FOR: The Director
The Deputy Director
FROM: David D. Gries [redacted]
Director of Congressional Affairs
SUBJECT: Weekly Report

DCI Congressional Testimony: The House Intelligence Committee plans to invite you to testify on 4 February on the Stokes bill, their companion piece to the Cohen-Boren bill. As you know, the Senate Foreign Affairs Committee has asked for your testimony on INF on 29 January and the Senate Intelligence Committee has asked for your testimony on the same general subject on 16 February. We are organizing testimony, Qs and As, prebriefs and back-up books for the three hearings.

25X1

Executive Appearances

The Director's meeting with 12 White House Fellows at their offices on Jackson Place on Wednesday, 6 January, was most successful. According to the Fellows, the session benefitted them substantially and the Director had been candid "without giving away any state secrets."

Public Relations Unit

[redacted] provided four briefings on intelligence both within and outside the Government. [redacted] briefing at the Pentagon for the ASTRA Air Force officers involved some 50 Air Staff interns, who are junior officers who may be in line for assignments to the Pentagon later in their careers. [redacted] also arranged briefings by Agency representatives from the Arms Control Intelligence Staff and from the Office of Global Issues, Directorate of Intelligence.
